

Gecko's Walk with Wildlife

Issue No 07 Jul/Aug 2010

Vale - Barry Johnson
02.07.1934 – 09.06.2010

On 16th June 2010, I attended his memorial gathering at Church of Christ Burleigh Heads. Barry had been ill for some time and eventually succumbed to his illness.

He was a tireless worker for the environment and was associated with many environmental bodies. I have had the privilege to have worked with him on committees and also on nature surveys. I found him to be a straight talking, honest man and I am proud to have been his friend. He will be sorely missed. To Maureen and family we send our best wishes.

Gecko's WwW Elanora Wetlands Habitat Survey Walks

These occur every Second and Fourth Tuesday of the month beginning at 7.30am Qld Time. They are usually of about a 2 hour duration.

Those interested in the walk meet at the front entrance to Elanora Wetlands Habitat. To get there – From the Gold Coast Highway, Palm Beach, enter Tallebudgera Drive and proceed west. At the end of Tallebudgera Drive, turn into the bitumen lane and thence left under the Pacific Motorway.

You will then be directly facing the entrance to Elanora Wetlands Habitat.
