

## Wildlife Care Organisations needing Donations

The toll on wildlife throughout the eastern states of Australia has been high, but many small and large wildlife care organisations are trying to rescue and care for injured and orphaned wildlife with limited resources. These organisations will need help for many months to come so regular donations would be appreciated.

You can help by donations of money to any of the following wildlife carer organisation.

### New South Wales

District	Organisation
NSW	<b>RSPCA</b> <a href="https://www.rspcansw.org.au/bushfire-appeal/">https://www.rspcansw.org.au/bushfire-appeal/</a>
