

Looking for a Sponsorship coordinator contractor for the not-for-profit sector!

Gecko – Gold Coast and Hinterland Environment Council is looking for experienced and enthusiastic sponsorship coordinator to look after the organisation's sponsorship program. A successful candidate is expected to attract sponsorships for Gecko's main events and projects, develop a strategic sponsorship program for the organization and develop and maintain relationships with the corporate sponsors.

We are looking for a person with 5 years experience in sourcing and securing sponsorship funding, impeccable communication and interpersonal skills and experience/understanding of the not-for-profit sector. We need you to be a goal orientated creative thinker with attention to detail and we want you to love the environment like we do.

Please note that this is a commission only, contract position and a successful candidate is required to work on their own ABN.

For further information and to submit your application please contact us at [events@gecko.org.au](mailto:events@gecko.org.au).
